ClimateMaster - IA & IL

Dependable water source heat pumps created for schools, commercial, and industrial applications.

International Environmental Corp.

Fan coil equipment: vertical stack, floor, horizontal, Hi-Performance, and Sure Flow.

Delta Cooling Towers, Inc.

Evaporative cooling towers with optional anti-microbial efficacy against legionella bacteria. Skidded systems, air strippers, degasifiers and scrubbers.

ClimaCool Corp. - IA, IL (QC)

Configurable Modular Chillers.

American Wheatley - IA, NE, MO, QC, SD

Separators, tanks, valves, and flex connectors. Custom tanks. ASME rated equipment for commercial and industrial applications.

Scot Pump - IA, NE, QC

All pump types for HVAC, agriculture and industrial; Motor, Engine and Frame Pumps. Also including WILO, American Marsh Pumps.

MacroAir - IA

Attractive, industrial grade, ceiling mounted, HVLS fans (6' to 24' diameter).

Hays Fluid Controls -IA, QC

Automatic fluid control valves for HVAC & industrial applications - Piping packages and risers.

Dunham-Bush - IA

Chillers, DOAS, ice thermal storage, RTUs, and air handlers for HVAC and industrial sectors. Ice rink chillers and air conditioners.

Camus Hydronics - IA & QC

Gas fired stainless and copper tube boilers, and water heaters for all HVAC and industrial applications. Electric boilers.

API Heat Transfer

IA, NE, QC, SD

Shell/Tube, Plate/Frame, and Braised Plate. Food processing equipment for evaporation, pasteurization & dealcoholization systems

Precision Boilers - IA & QC

Electric, gas, oil, steam, and jet electrode boilers. Skid packaged, deaerators, feeders, flash tanks, and accessories

WILO Pumps - IA, QC

Pumps and systems for HVAC, water supply, industrial, and sewage; including booster, skids, and multi-stage equipment.

Thermal Care - IA, NE, QC, SD

Industrial chiller systems. adiabatic fluid coolers, pump/reservoir skid systems and fiberglass evaporative cooling towers.

Bard - IA, QC

Vertical, water and air source heat pumps, air conditioners, and humidity control options. Est' 1914

Security Chimneys - IA & QC

Features the AL29-4C flue draw latch system for condensing boilers, gen stack, and grease duct; zero clearance applications.

“We are here to help you select, size, and budget for your next project.”

Thank you for trusting us with your business, we appreciate the opportunity to serve you.

Invertek Drives - IA, NE, QC

HVAC and Industrial Variable Frequency Drives, used to control motors in a wide variety of industrial and energy saving applications.

JJM Alkaline Technologies,

Inc.

IA, NE, QC

Leading industry solution to addressing highly acidic condensate from condensing equipment.

Sterling HVAC- IA

Rooftop and indoor make-up air units. Unit Heaters of all types. Duct Furnaces.

Sterling Commercial

Hydronics

IA, QC

Finned tube, convactor enclosures, and base board radiation, electric baseboard heaters, commercial steam, and hot water unit heaters.

Spinnaker Industries, Inc.

IA, NE, QC

ERVs, DOAS, air conditioners, screening systems and roof curbs.

Gaylord Kitchen Exhaust

IA, NE, QC

Commercial kitchen and air demand ventilation control options.

Andre HVAC

IA, NE, SD & QC

Vibration, shock, and noise control products for HVAC and industrial applications.

SystemAir - IA, Western IL

High-quality ventilation, heating, and cooling products and systems. Innovative, sustainable, and energy-efficient HVAC products and solutions.

CANARM HVAC - IA, QC

Fans, blowers, dampers, louvers, HRVs, greenhouse fans and filtered fresh air supply systems, Agra-HVAC.

Tuttle & Bailey - IA, NE, QC, SD

Terminal air boxes, variable air volume boxes and hydronic coils.

MACURCO - IA, NE, QC

Intelligent fixed and portable gas detection and refrigerant systems for HVAC and industrial applications.

DuraVent - IA, NE, QC

Factory-built AL29-4C stainless steel and poly-propylene flue, pressure vent, and duct systems for boilers, grease hoods, and generators.

Waterline Controls

IA, NE, HI, QC

The most dependable, easy to operate and longest lasting option to water-based switches with a limited lifetime warranty.

EvergreenUV

IA, NE, HI & QC

The benchmark for ultraviolet light in-duct, upper-air, and surface pathogen reduction systems. Supporting healthy and sustainable designs for over 47 years!

POLAR Global-HVAC

IA, NE, IL, WI, SD & QC

Slimline exposed fan coil systems AND cassettes. Dehumidifiers for the grow industry.

USA Coil & Air - IA, QC

Replacement & custom commercial and industrial replacement coils, tube bundles, air handling units, condensing units, and unit heaters

Buffalo Air Handlers - IA

High-volume, low-leakage, custom-designed air handling systems - for institutional and industrial applications.
